Meet the Founder

Shivam Madaan
24 Years old
New Delhi, India

Shivam Madaan is a 24-year-old Guitarist and a Music Producer from Delhi, India, known for his Fingerstyle playing and Indie & Pop Releases.

His musical journey began in school choirs and late-night jam sessions, eventually leading him from his first guitar to writing his first original songs.

He made his professional debut in 2022 and has since released multiple tracks, collaborating with other artists and steadily building a loyal audience across streaming and social platforms.
